

Support & Authorization for New York State Consolidated Funding Application,  
Water Infrastructure Engineering Planning Grant for Inflow in Infiltration Project

WHEREAS, the Common Council, City of Ithaca, Tompkins County, supports the submission of a 2019 Consolidated Funding Application (CFA) on behalf of the City, for the Water Infrastructure Engineering Planning Grant (EPG) program to conduct a study on Inflow and Infiltration within the City sewer distribution system; and

WHEREAS, the New York State Department of Environmental Conservation (DEC), in conjunction with the New York State Environmental Facilities Corporation (EFC), provides a competitive statewide reimbursement grant program to assist in the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects; and

WHEREAS, The City of Ithaca meets EPG eligibility, this project is considered a funding priority as an area with suspected Inflow and Infiltration issues, and the City is below municipal median household income requirements; and

WHEREAS, if funding is received it will allow the City of Ithaca to obtain an engineering report to investigate their significant inflow and infiltration issues to identify solutions, enabling them to seek financing for construction through the CWSRF program, advancing the needed water quality improvements; now, therefore be it

**RESOLVED**, That Common Council hereby authorizes Mayor Svante Myrick as representative for the project, allowing the Mayor to execute necessary documents relative to and as required for this application; and be it further

**RESOLVED**, That Common Council recognizes and fully supports the submission of this CFA for an EPG for the purpose of said study regarding Inflow and Infiltration.
