REQUEST FOR PROPOSALS FOR SITES THROUGHOUT ITHACA, NY SUBMISSION DEADLINE: APRIL 6, 2020

The City of Ithaca's Community Life Commission and Downtown Ithaca Alliance are requesting mural proposals for the greater downtown area. Artists, residents, neighbors are encouraged to illustrate futures aspired to in initiatives like the city's Green New Deal. What images or scenes emerge when the benefits of social, economic, and environmental justice are shared by everyone in our community?

Successful proposals will demonstrate positive use of color, imagery, a sense of community, good will, and be reflective of the community where they are proposed to be placed.

Since physical dimensions vary by site, artists must specify their preferred type of site from the identified public spaces identified in the RFP and the public art webpage. An artist or collaborative group may submit more than one proposal, however no more than one proposal will be chosen per artist/collaborative. *Selected artists for the 2020 cycle will be provided with \$250 and supported with paint from the City.*

Submissions, including artwork, will not be returned.

Deadline for Application : FRI 6 APRIL, 2020

Proposals will be juried using the following criteria:

- Description and creative sketch of proposed work
- Feasibility of project completion
- Appropriateness of work to site location
- Quality of prior work

For more information and the application on the City of Ithaca City Mural Program including a list of available sites,
