ACCOUNTS RECEIVABLE SPECIALIST TRAINEE

DISTINGUISHING FEATURES OF THE CLASS: The work involves responsibility for learning to accept, record, and process payments for various City invoices and services using multiple accounting software programs simultaneously. The work also involves accurately reconciling and balancing those payments on a daily basis. The incumbent undergoes on-the-job training in order to learn the diverse and various City functions handled by the City Chamberlain's Office, and by other City departments, in order to provide that information to customers. The work involves extensive face-to-face and telephone interaction with the public, including difficult or irate customers. The work is performed under the direct supervision of Accounts Receivable Specialists or higher-level staff in accordance with well-defined office procedures. Does related work as required.

The term of appointment is limited to one year, during which time employees in this class are required to satisfactorily complete the necessary training. The training shall include both on-the-job training and classroom training related to customer service and/or the collection of receivables. Upon successful completion of the training term and the employee’s probationary period, the employee is eligible for promotion to the position of Accounts Receivable Specialist without further examination.
